

# **SAFETY TRAINING PROCEDURES**

## **WESTWOOD RECREATION CENTER**

REVISED October 2020

# ADMINISTRATIVE PROCEDURES

## SAFETY TRAINING POLICY AND PROCEDURES

---

### **Purpose /Policy**

The City of Jackson requires all full-time and part-time employees, new hires included, to be trained in the handling of City floor machine, floor buffer, vacuum cleaner, light power tools, personal protective equipment (PPE), and cleaning chemicals utilized to perform the job duties for the purpose of annual training.

### **I. Background**

The Westwood Recreation Center, located at 3 Westwood Gardens Drive has issued the following equipment, power tools, etc.

Floor machine

Floor buffer

Vacuum Cleaner

Personal Protective equipment

Safety glasses

Gloves

Cleaning supplies

Etc.

### **II. Procedure**

Requirements to operate...

#### **Floor Machine/Buffer/Light power tools**

1. All employees of the Westwood Recreation Center shall be trained sufficiently to operate and meet the standards set by the City of Jackson and the Westwood Recreation Center before operation of any of the listed above.
2. Must have annual training on how to operate, minimum of 8 training hrs
3. New hires will train for 8 hours before operating equipment.
4. Safety training on equipment will be conducted yearly.
5. There will be checklist for inspection of equipment prior to any use of the equipment. This checklist shall be kept on file.

### **III. Certification of Training**

After remedial training, if an employee fails to qualify and cannot properly, safely, or comfortably use any of the required equipment, vehicles, or power tools, assigned to their job, the employee shall be given 14 days to qualify in certification. If after this 14-day period, the employee does not achieve the proper certification in training and the supervisor observes the employee cannot perform the job they were hired for, the employee is subject to disciplinary action up to and including termination for failure to meet standards.

The department shall maintain certification/training log for each employee. The log shall consist of the following:

- Employee's name, position title and list of equipment, tools or vehicles assigned to the employee;
- Certification/training hour forms;
- Inspection forms of equipment, tools
- Training sign-in sheets and all sign-in sheets must contain the following:
  - Name of training;
  - Instructor(s) name(s) who conducted the training
  - Date and time of training;
  - Location of training;
  - Signatures of all employees in attendance for the training;
  - Supervisor's approval of the employee's ability to perform his/her duties safely, accurately and efficiently as assigned to them.
- Sign-in sheets for trainings shall be kept as pertains to OSHA record keeping retention rules.
- Copies of all training sign-in sheets shall be sent to the Safety Officer in Risk Management.

### **IV. Equipment, and/or Power Tools**

Employees assigned tools or equipment, shall keep all in good serviceable condition.

All tools, and equipment shall be inspected before use.

All tools and equipment, or may be subject to inspection by any of the employee's supervisors at any time. Supervisors should plan periodic inspections and document their findings.

Failure to inspect, maintain or report any damage or problems with any assigned tools, equipment, or vehicles may result in disciplinary action.

Upon inspection of tools or equipment, if there is evidence damage, the following procedures apply:

- The employee shall notify his/her supervisor.

- The employee shall complete an Accident/Incident Report (AIR) form. The supervisor shall sign the form and send it to Risk Management.
- Pictures should be taken of the damage. Any documentation, such as previous inspection forms should be included and all sent with the AIR form to Risk Management.
- In the event to damage to tools, equipment, or vehicles is determined the damage was a result of the employee's negligence, the employee may be subject to disciplinary action.

#### **Review of Policy and Procedures**

The Department Head will review the Safety Training Policy & Procedures annually and revise as necessary.

#### **Self-Cancellation**

The Safety Training Policy & Procedures will remain in force until revoked or superseded by competent authority.
